Key Highlights

- **Complete Geography Optional Foundation Programme** designed for serious UPSC aspirants.
- **Taught entirely by Himanshu Sir**, ensuring continuity in teaching style, approach, and mentorship throughout the course.
- **Strong foundation-building at the start** with orientation, optional strategy, answer writing, maps, diagrams, examples, case studies, current affairs, and PYQ trend analysis.
- **Comprehensive coverage of both Human and Physical Geography** in a structured, stage-wise manner.
- **Integrated approach to concepts, theories, and application**, making the course useful for both understanding and answer writing.
- **Special focus on models, theories, and laws in Human Geography**, which are crucial for high-quality analytical answers.
- **Balanced coverage of Indian and World Geography**, helping students build a multi-scalar understanding from local to global.
- **Strong emphasis on contemporary relevance**, with current issues, development themes, environment, planning, and geopolitics included in the flow of the course.
- **Answer-writing oriented preparation**, not just content delivery, making it useful for the conversion of knowledge into marks.

- **Dedicated space for maps, diagrams, examples, and case studies**, which are essential for enriching Geography Optional answers.
- **Multiple reserve and doubt-clearing sessions** built into the schedule for revision, reinforcement, and backlog recovery.
- **Long-duration classroom support across the year**, allowing gradual mastery instead of rushed completion.
- **Online mode only**, making it accessible to students across regions.
- **Soft-copy study material provided**, enabling easy access and portability.
- **Recorded mapping videos available on the Guidance IAS App**, adding extra support beyond live classes.
- **Live classes with recorded access available for limited views (2 TIMES VIEW)**, helping students revise important sessions.
- **Useful for building conceptual clarity, analytical depth, and exam temperament together**. This is not just a topic-wise course, but a full preparation ecosystem.

Note: There can be a **change** in the schedule in case of **emergencies**.
