Highlights

- As you all are aware that prelims were postponed by 20 days. However, the dates of Mains examination have remained unchanged. Thus, there is less time between prelims and mains. So, some topics like Tectonic Geomorphology, Climatology and Oceanography lectures will be uploaded on the app at the beginning of the batch itself. Students are advised to prepare these lectures on their own through the help of video lectures. Sir will be taking doubt clearing sessions on these topics on demand.
- Topics of Models, Theories and Laws in Human Geography will be covered with their parent topics in Paper I.
- Topics of Contemporary Issues will be covered with their parent topics in Paper II.
- For Offline Students: They will be given a Hybrid Model i.e., if a student misses any Offline session, they can access the Recorded lecture. However, the availability of the Online Lectures will have a Validity Till Mains from the date of Publishing of the particular class.
- For Online Students: The availability of the Online Lectures will have a Validity Till Mains from the date of Publishing of a Particular Lecture.
- Relevant Study Material will be provided with each session, along with Topper's BEST Practices.
- The study Material for every session will be in the form of FEED (Facts, Example/Case Studies, Enriched Answers and Diagrams) Book.
- There can be change in schedule in case of an emergency.
- The tests will be flexible for the students. It means that the date of the tests cannot be preponed but can be postponed according to the convenience of the student the last date of the test series.
- Test copies will be returned back within 10 working days of writing the test.
- Test discussions will be taken by Himanshu sir and Pranjal Sir and will be available in Recorded Format which will be unlocked Post Test timings of the particular Test.
- The best answers will also available to the students on the Guidance IAS App.
